IDENTIFIERS *Egypt

ABSTRACT

The directory of Adult Education Agencies in Egypt is a listing of six different types of organizations: national bodies and central agencies; teachers' training institutes and research institutions; adult education institutions (governmental); adult education institutions (non-governmental); central libraries and documentation centers; and regional services organizations. For each listing there is an address and names of the contact persons associated with adult education in each agency. (BP)

****
* Documents acquired by ERIC include many informal unpublished *
* materials not available from other sources. ERIC makes every effort *
* to obtain the best copy available. nevertheless, items of marginal *
* reproducibility are often encountered and this affects the quality *
* of the microfiche and hardcopy reproductions ERIC makes available *
* via the ERIC Document Reproduction Service (EDRS). EDRS is not *
* responsible for the quality of the original document. Reproductions *
* supplied by EDRS are the best that can be made from the original. *
